THANK YOU

I want to thank you for having me on your show. These are interesting times and each decision we make can be critical to our future.

I feel the same way about our country. We are at such a critical time in our history. *Those of us who understand the truth must continue the good fight.*

THAT'S WHY I WROTE THIS BOOK

This book is a no-nonsense, practical guide to making decisions in Biblical truth.

Life is about taking action using the best information based in TRUTH. Life is about deciding, taking the steps, and then making course corrections along the way as you get more information.

"For God has not given us a spirit of timidity, but of power and love and discipline." 1 Timothy 1:7

DECIDE TO DECIDE!

"We are destroying speculations and every lofty thing raised up against the knowledge of God, and we are taking every thought captive to the obedience of Christ." 2 Corinthians 10:15 NASB

Buying this book will be the best decision you ever make. The first question toward understanding your power to decide is to answer this question.

Do you create or do you tolerate? God created us in His image, so we are creators. Whatever you allow or "tolerate," you put your stamp of approval on it. One reason that I hate the word tolerant. You only tolerate what is bad. You enjoy what is good.

What you allow, you approve. What you have, you tolerate. What you allow you approve, what you measure gets accomplished and what you reward you get more of. And it all begins with the decision to decide.

"This book arrives at the perfect time... it is a powerful blueprint to help you Decide better and Trailblaze a positive path forward."
